PADDLE FOR LIFE · SESSION ONE OF FOUR

WHAT WE PADDLE FOR

Your take home pack, from The Performance Act

WHAT'S IN THIS PACK

1. **Open, aware, engaged** the three parts of psychological flexibility, as a poster
2. **Value words** for the front of your coin, with the two checks
3. **Your coin** cut out, fold, and keep it where you'll see it
4. **Your Paddle Card** my one stroke on one side, our crew stroke on the other
5. **The crew stroke sheet** for designing a behaviour the whole boat can see

WHAKATAUKĪ

KIA MAU KI TE AKA MATUA

Hold fast to the parent vine. What we paddle for is the aka matua; the tiredness, the nerves and the results are the wind.

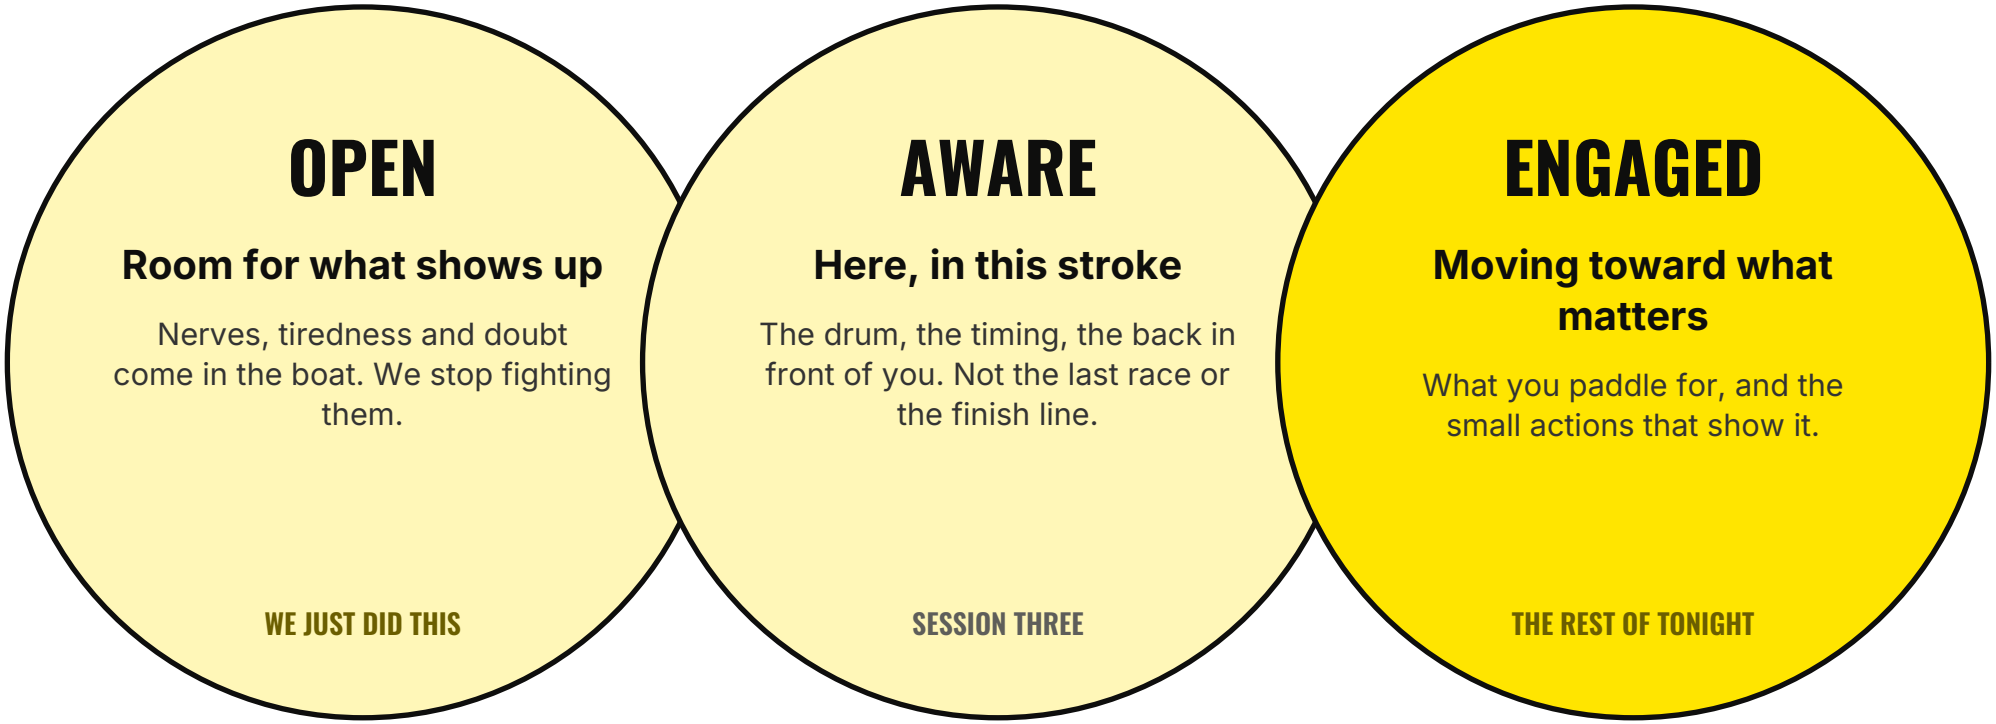

UNTIL SESSION TWO

- Keep your coin where you'll see it, and take your stroke. Noticing late still counts.
- After each of the next three trainings, 30 seconds at the trailer with the paddler behind you: "How's your stroke going?"
- Session two starts with one question: how did your stroke go?

If anything from the session stayed with you, talk to your club's welfare contact or email info@performance-act.com. If you need to talk to someone now, free call or text 1737 any time. In an emergency, phone 111.

OPEN, AWARE, ENGAGED

Having whatever shows up, noticing where you are, and still doing what matters.

Psychological flexibility: three parts, and good paddlers already do all three.

VALUE WORDS

In the heat of the battle, I want to be a paddler who is...

Start with your own words from the bank. If it helps, pick up to two of these, or use a word that is yours.

STEADY	BRAVE	GENEROUS	PLAYFUL
LOYAL	FIERCE	PATIENT	ENCOURAGING
HONEST	PRESENT	GRATEFUL	DETERMINED
WELCOMING	JOYFUL	STRONG	CURIOUS
COMMITTED	KIND	CONNECTED	PROUD
RESPECTFUL	GUTSY	SUPPORTIVE	WHOLEHEARTED
REMEMBERING	HOPEFUL	ADVENTUROUS	COMPETITIVE
HUMBLE	TRUSTING	GIVING BACK	CHEEKY

TWO CHECKS

- ◯ Would this still matter if no one was on the bank and no times were recorded?
- ◯ Could you paddle this way on a day you finish last?

Yes to both? You've found an oar, not a finish line.

OUR CREW STROKE

One small behaviour the whole boat could do at training

Our crew word a value we share

My Seat Behind You buddy _____

After each of the next three trainings, 30 seconds at the trailer: "How's your stroke going?"

Statue test: if a statue could do it, it isn't a behaviour.

OUR CREW STROKE

Crew: _____

THE VALUE WE SHARE

OUR CREW STROKE

What would the paddler behind you actually see?

01 MAKE IT OBVIOUS

"When ___ happens, we ___." Pick a cue and a keyword.

Our keyword: _____

02 MAKE IT ATTRACTIVE

Tie it to something the crew already enjoys: the cuppa, the walk down with the boat.

03 MAKE IT EASY

Could you do it in under two minutes on a cold, tired night?

04 MAKE IT SATISFYING

Name It at the trailer: two paddlers name one thing they saw that fits the word.

THE STATUE TEST: IF A STATUE COULD DO IT, IT ISN'T A BEHAVIOUR.

Fails: "We'll always be positive." "Not complain."

Passes: "When we lift the boat off the trailer, someone says 'together' and no one carries alone."
